SUBJECT: Financial Support of the Restoration of Carbondale City Hall

DATE: February 10, 1982

If you are not already familiar with the Committee to Restore Carbondale City Hall and its objectives, the enclosed copy of the letter that S. Robert Powell wrote to Mr. Francis X. Hopkins on February 9, 1982, contains a great deal of information about the Committee and its objectives. If you will take a few minutes to read that letter, you will know what the Committee to Restore Carbondale City Hall is all about.

Many members of the business and professional community of Carbondale and vicinity have already made a contribution to the fund to restore Carbondale City Hall. We are hoping to have the backing of the entire business and professional community and are, therefore, asking for your support. The form at the bottom of this page and the enclosed envelope are for your convenience in making a contribution, in the name of your organization, to the restoration fund.

The Committee is presently sponsoring a 50/50 raffle, with a single cash prize. At the next meeting of the Committee (February 18, 1982, 7:30 P.M., Council Chambers, second floor of Carbondale City Hall) the winning ticket will be drawn. Any member of your organization who is interested in selling these raffle tickets on behalf of the Committee may do so. For further information, telephone David J. Baum at 282-3300.

We look forward to your support of the efforts of the Committee to Restore Carbondale City Hall.
